

Manufacturer inspection as per AD 2000-Merkblatt W0/TRD 100 / TRG 200

1. We hereby confirm that the manufacturer requirements as per AD-Merkblatt W0/TRD 100 have been fulfilled for the area of application specified in the Appendix.
2. According to our report 33411181 dated 25.01.2017, you have:
 - 2.1 facilities that allow proper manufacture and testing using the latest technology available.
 - 2.2 a survey of manufacturing process which guarantees that the material used for the products listed in the Appendix are properly manufactured and processed, and guarantees compliance with the relevant technical regulations,
 - 2.3 expert supervisory and testing staff, especially in the area of on-site expertise.
3. You are obliged to inform the expert of any fundamental changes or additions to the defined area of application and to apply for an additional inspection if necessary.
4. This verification shall remain valid until **APRIL 2018** and is based on the precondition that the necessary requirements are fulfilled. You may apply to have the period of validity of this verification extended.
5. You shall be responsible for the costs of the inspection.
